The background of the cover is a collage of industrial images. It includes a close-up of a metal part being held by a large industrial vise, a laser cutting process creating bright sparks, a grinding wheel in operation, and a precision drill bit. Overlaid on these images are several graphic elements: a glowing blue diagonal line, a circular gauge-like graphic in the top right, and three circular icons on the left (a bolt, a monitor, and a cube) connected by lines. The overall color palette is dominated by blues, greys, and the bright orange/yellow of the sparks.
